Missouri University of Science & Technology Honors Academy Study Abroad Matching Scholarship Application

As a firm commitment to enhancing the international competence of Missouri University of Science & Technology Honors Academy students, the Honors Academy offers a Study Abroad matching scholarship. Any active Honors Academy student receiving a Missouri University of Science & Technology Study Abroad scholarship in conjunction with a Missouri University of Science & Technology affiliated program is eligible to apply. To apply please submit this form and your answers to the following questions 1 -3 on a separate sheet of paper a copy of your transcript, and your study abroad application:

1. Describe your financial need for a study abroad scholarship.
2. Describe your Honors Academy achievements and other merits which would qualify you for a study abroad scholarship.
3. Describe how you would use this scholarship.

Please describe the Study Abroad experience you are applying for:

Selection will be based on funds available, the applicant's financial need, quality of application essay and your GPA. Your admission to a study abroad program will be required before awards will be made.

Name: _____ Student #: _____ Cumulative GPA: _____
